## Report of Independent Registered Public Accounting Firm

The Board of Directors  
CU Investment Solutions, Inc.  
Lenexa, Kansas

We have audited the accompanying statement of financial condition of CU Investment Solutions, Inc. (the Company) as of December 31, 2005. The statement of financial condition is the responsibility of the Company's management. Our responsibility is to express an opinion on the statement of financial condition based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial condition, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of financial condition presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the statement of financial condition referred to above presents fairly, in all material respects, the financial position of the Company at December 31, 2005, in conformity with accounting principles generally accepted in the United States.

*(A Wholly Owned Subsidiary of U.S. Central Federal Credit Union)*

Notes to Statement of Financial Condition

December 31, 2005

**1. Nature of Organization**

CU Investment Solutions, Inc. (the Company) is registered with the Securities and Exchange Commission as a securities broker and dealer under the Securities Exchange Act of 1934 and is also a registered investment adviser with the State of Kansas. The Company is a member of the National Association of Securities Dealers, Inc. and the Securities Investor Protection Corporation. The Company was incorporated in Kansas on December 21, 1988, and is a wholly owned subsidiary of U.S. Central Federal Credit Union (U.S. Central). The Company provides services to U.S. Central, corporate credit unions, and natural person credit unions throughout the United States.

The Company promptly forwards all funds and securities received and does not otherwise hold funds or securities for, or owe money or securities to, customers. Accordingly, the Company is exempt from Rule 15c3-3 of the Securities Exchange Act of 1934, under paragraph (k)(2)(i) of that Rule.

**2. Summary of Significant Accounting Policies**

This summary of significant accounting policies of the Company is presented to assist in understanding the statement of financial condition of the Company. These accounting policies conform with accounting principles generally accepted in the United States and reflect practices appropriate to the industry in which the Company operates.

**Use of Estimates**

The preparation of the statement of financial condition in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities as well as the disclosure of the amounts of contingent assets and liabilities at the date of the statement of financial condition. Actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Company considers cash and all highly liquid debt instruments with an original maturity of three months or less to be cash equivalents.

CU Investment Solutions, Inc.  
*(A Wholly Owned Subsidiary of U.S. Central Federal Credit Union)*

Notes to Statement of Financial Condition (continued)

**2. Summary of Significant Accounting Policies (continued)**

**Securities Transactions**

Securities transactions of customers are recorded on a settlement date basis, generally within three business days after trade date, with related transaction revenue recorded on a trade-date basis. Securities transactions executed for the Company are recorded on a trade-date basis. In certain cases, another broker and dealer or customer will fail to deliver securities to the Company, and as a result, the Company will fail to deliver securities to the counterparty to the transaction. The Company promptly forwards securities upon receipt and settles cash when the security is delivered.

As of December 31, 2005, securities owned consisted of a highly rated mortgage-related securities and federal government agency securities, which are carried at fair value based on quoted market prices for those or similar securities.

**Income Taxes**

The Company utilizes the liability method of accounting for income taxes. Under the liability method, deferred taxes are determined based on the difference between the statement of financial condition and the tax bases of assets and liabilities using enacted rates. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized. No valuation allowance has been recorded as of December 31, 2005. The Company files federal and state income tax returns on a separate company basis.

**3. Related-Party Transactions**

Through a master service agreement, the Company is authorized and appointed to effect sales of financial instruments or products issued or provided by U.S. Central including, but not limited to, U.S. Central shares and share certificates and such other financial instruments or products U.S. Central may offer. In its capacity as adviser, the Company provides advice to U.S. Central with respect to new product development, structuring of financial products and services, and customer support. The fees for providing these services are negotiated with U.S. Central and do not necessarily represent the fees that would have been charged by a third party.

CU Investment Solutions, Inc.  
*(A Wholly Owned Subsidiary of U.S. Central Federal Credit Union)*

Notes to Statement of Financial Condition (continued)

**3. Related-Party Transactions (continued)**

U.S. Central and its subsidiaries provide various shared support services for the Company, including market risk reporting, accounting, legal, brokerage and clearance costs, personnel administration, office space, Web page maintenance, and data processing services. The fees charged to the Company are based on U.S. Central's costs to provide the services and do not necessarily represent the cost that would be charged by a third party for these services.

Amounts due to or from affiliates represent receivables or payables with U.S. Central or its subsidiaries.

As discussed further in Note 8, the Company has a line-of-credit agreement and a master repurchase agreement with U.S. Central.

**4. Income Taxes**

Deferred income taxes are recorded based upon differences between the financial statement and tax bases of assets and liabilities. Deferred income tax assets consist of the following:

	<b>December 31, 2005</b>
Deferred income tax assets:	
Accrual for compensated absences	\$ 10,435
State and federal net operating loss carryforward	110,967
Unrealized loss on investment securities	2,963
Total deferred income tax asset	<u>\$124,365</u>

No valuation allowance was considered necessary as of December 31, 2005, as management of the Company believes it is more likely than not the results of future operations will generate sufficient taxable income to realize the deferred tax assets. As of December 31, 2005, the Company has federal net operating loss carryforwards of \$254,210 that begin to expire in 2023 and \$505,889 of state net operating loss carryforwards that begin to expire in 2012.

CU Investment Solutions, Inc.  
*(A Wholly Owned Subsidiary of U.S. Central Federal Credit Union)*

Notes to Statement of Financial Condition (continued)

**5. Net Capital Requirements**

The Company is required to maintain minimum net capital as defined by Rule 15c3-1 under the Securities Exchange Act of 1934. Rule 15c3-1 requires minimum net capital to be the greater of \$100,000 or 6 2/3% of aggregate indebtedness. As of December 31, 2005, the Company had net capital, as defined, of \$2,850,296, which exceeded the minimum requirement of \$100,000 by \$2,750,296. Also, the ratio of aggregate indebtedness to net capital for the Company is not permitted to exceed 15:1. As of December 31, 2005, the ratio of aggregate indebtedness to net capital for the Company was 0.43 to 1.

**6. Benefit Plans**

In February 2005, U.S. Central merged its two defined contribution plans into one plan. The consolidated plan provides for the same combined employer contributions as did the two legacy plans.

Under the terms of the plan, participants of the Company may immediately contribute a percentage of their salary. After the participant completes one year of service, the Company matches 50% of the participant contribution, up to 6% of the salary of the participant. The employer matching contributions vest immediately. The Company also contributes 5% of participants' salaries up to certain limitations as defined by the Internal Revenue Service. The Company begins making these contributions after the employee completes one year of service. These amounts are fully vested after four years of service.

**7. Business Risk and Concentrations**

In the normal course of business, the Company acts in the capacity of principal in executing and settling securities transactions. Business risk results from the possibility that a loss may occur from the failure of another party to perform according to the terms of settlement. The Company has control procedures regarding securities transactions with counterparties and the manner in which they are settled. The settlement of open transactions as of December 31, 2005, did not have a material adverse effect on the financial statements of the Company.

CU Investment Solutions, Inc.  
*(A Wholly Owned Subsidiary of U.S. Central Federal Credit Union)*

Notes to Statement of Financial Condition (continued)

**7. Business Risk and Concentrations (continued)**

As of December 31, 2005, the Company provided its advisory and transaction services solely to corporate credit unions and natural person credit unions throughout the United States. As such, the Company's business is reliant upon its relationship with U.S. Central and the credit union industry.

**8. Commitments**

As a source of liquidity, the Company has entered into an arrangement with U.S. Central, whereby U.S. Central may extend credit to the Company in an amount up to \$8 million. All advances under this agreement shall be secured by assets controlled by the Company, bear a rate of interest determined by U.S. Central, and, unless otherwise requested by the Company, be for a period of one day. As of December 31, 2005, \$999,750 was outstanding under this facility with a maturity of one business day and an interest rate of 4.41% per annum.

As an additional source of liquidity, the Company has entered into a master repurchase agreement with U.S. Central, whereby the Company may sell securities to U.S. Central under an agreement to repurchase the same securities at a later date. As of December 31, 2005, no amounts were outstanding under this agreement.
